*La colombe poignardée
et le jet d'eau*

Douces figures poi^{gnardée} Chères lèvres fleuries
 MIA MAREYE
 YETTE LORIE
 ANNIE et toi MARIE
 o ù êtes-
 vous ô
 jeunes filles
 MAIS
 près d'un
 jet d'eau qui
 pleure et qui prie
 cette colombe s'extasie

Tous les souvenirs de n^{agère} Où sont Raynal Billy Dalize
 O mes amis partis en guerre ? Dont les noms se mélancolisent
 Jaillissent vers le firmament Comme des pas dans une église
 Et vos regards en l'eau dormant Où est Cremnitz qui s'engagea
 Meurent mélancoliquement Peut-être sont-ils morts déjà
 Où sont-ils Braque et Max Jacob De souvenirs mon âme est pleine
 Derain aux yeux gris comme le jet d'eau pleure sur ma peine

CEUX QUI SONT PARTIS A LA GUERRE AU NORD SE BATTENT MAINTENANT
 Le soir tombe O sanglante mer
 Jardins où saigne abondamment le laurier rose fleur guerrière

Il pleut

Il pleur des voix de femmes comme si elles étaient mortes même dans le souvenir
 et ces nuages cabrés se prennent à hennir tout un univers de villes auriculaires
 écoute s'il pleut tandis que le regret et le dédain pleurent une ancienne musique
 écoute tomber les liens qui te retiennent en haut et en bas

'A true blockbuster; an unprecedented, unique encyclopedia comprehensively surveying what has clearly become a major academic discipline.'

Reference Reviews

'This is a landmark publication in the history of translation studies . . . it is impossible to do justice to this encyclopedia's many merits.'

Language Today

'Interest in translation studies as an academic discipline has never been greater, and this excellent volume is to be commended for bringing together some of its most recent research . . .'

The Times Higher Education Supplement

'up-to-date, open-minded and authoritative'

International Journal of Translation

Published in paperback for the first time, the acclaimed *Routledge Encyclopedia of Translation Studies* is the ideal reference work for anyone with an academic or professional interest in translation.

Drawing on the expertise of over 90 contributors from more than 30 countries, the *Encyclopedia* offers a detailed overview of translation studies.

Part I covers the conceptual framework of the discipline, with topics including:

- drama, literary and poetry translation
- machine translation
- terminology and term banks

Part II presents over 30 entries on the history of translation in major cultural and linguistic communities worldwide.

As user-friendly as it is comprehensive, the *Routledge Encyclopedia of Translation Studies* is a ground-breaking work that has proved invaluable to students, teachers and professional linguists.

Mona Baker is Professor of Translation Studies and Director of the Centre for Translation and Intercultural Studies at UMIST, UK. Her publications include *In Other Words* (1992) and she edits the international journal *The Translator*.
